Planning Volunteers for Annual San Fernando Valley Artists Studio Tour

For Immediate Release

San Fernando Valley, CA (March 2010)

The **San Fernando Valley Arts Council (SFVAC)** is planning its 2010 **Valley Artists Studio Tour (VAST)**, which is scheduled for October 2nd and 3rd. The SFVAC needs volunteers and artists to help plan, market, and coordinate this valley-wide event and the gala reception. Opportunities include event coordinating, helping with publicity and advertising, updating the VAST website, delivering fliers and brochures, and setting up the reception. This is also an excellent opportunity for volunteers to apply for participating on the Board of the San Fernando Valley Arts Council.

The SFVAC has been a non-profit organization for almost 40 years with a mission to support and promote the arts in the San Fernando Valley. During October, the SFVAC will showcase the studios of over 40 fine artists of the San Fernando Valley and provide a unique view of the fine arts and artists in the community. Funds raised are invested in the community.

The SFVAC meets at 7:00 p.m. on the second Monday of every month in the Air Business Center building at 7100 Hayvenhurst Avenue near the Van Nuys airport. Our next meeting is April 12, 2010. For more information, please call the **San Fernando Valley Arts Council** at (818) 469-3380 or access the web at **www.sfvartscouncil.com**. # # #
